SPECIAL

BOARD OF REVENUE (CIVIL SUPPLIES).
SUBJECT.

ESTABLISHMENT - Civil Supplies - South Kanara district - Staff retention beyond 30-9-53 - Proposals - Submitted.

Ref.No.F.II-114992/53(CS), Dated the 1st September 1953.

ASSISTANT SECRETARY
53147
5 SEP 1953
FOOD AND AGRICULTURE DEPARTMENT

From

Sri.M.V.Subramanian, I.C.S.,
Commissioner of Civil Supplies.

K.Ghulam Mahmood, I.A.S.,
Secretary to the Commissioner of Civil Supplies.

Read: From the Collector of South Kanara, Ref.C.No.17484/53-P.2, dated 21-8-53.

Submitted to the Government.

2. The sanction accorded in G.O.Ms.No.1143, Food and Agriculture, dated 16-7-53, for the retention of the Civil Supplies staff in the South Kanara district expires on 30-9-53. The Collector of South Kanara has since submitted proposals for the further retention of the Civil Supplies staff in his district.

3. The Collector reports that in view of the continuance of informal Rationing in the Hosdrug sub-taluk and the opening of more fair price shops in the other rural areas, there is need for the retention of the entire executive staff. He requires the further retention of the existing clerical staff both in his office and in the taluk offices. There is enough justification for the retention of the post of the Typist in the Collector's Office also. None of the staff sanctioned in the Government Order mentioned above, has been retrenched and the Collector requests that the entire staff may be retained till 31-3-54. In the circumstances explained by the Collector, the Board accepts his proposal and requests the Government to sanction the retention of the staff shown in the Annexure for a period of three months from 1-10-53 to 31-12-53 or till the need ceases, whichever is earlier, for Civil Supplies work in the South Kanara district.

Sub:-Establishment--Civil Supplies Department--South Kanara District--Retention beyond 30-9-53--Proposals--submitted.

Ref:-Board's Ref.No.F.II.11574/53-2(CS) d/ 11-8-53.

...

The period of retention of the Civil Supplies staff of this district last sanctioned in G.O.Ms.1143 F.& A. dated 16th July,1953 will expire on 30-9-53. The staff now working in this District(as mentioned in annexure I) is the barest minimum essentially required for the efficient working of C.S.work.

2. Since the submission of my last report Ref.C.No.924/53-P2 dated 27-5-53, recommending the retention of the C.S.staff upto 31-12-53, there has been a further deterioration of the food situation.

3. In Hosdrug sub taluk Informal Rationing still continues to be in force. Consequently, the continuance of the existing C.S. staff consisting of 1 T.S.O., 1 A.T.S.O. 1 L.D.C. and 2 peons in the area is absolutely necessary until Informal Rationing is abolished.

4. In Derationing Rural Areas there has been a further deterioration in the food situation since the submission of my last report in my Ref. C.No.924/53-P2, d/27-5-53 recommending the retention of the entire C.S.staff till 31-12-53. The price of rice in the open market still continues to be high and to give relief to the people a number of Fair Price shops have been newly opened and rice is also being issued through these F.P. shops according to the prescribed scale. The existing executive staff is absolutely necessary for the proper supervision of the F.P.shops and to see to their efficient working. The Agency System which is now functioning in full force throughout the District has thrown considerable additional work on the clerical staff both in the Collector's Office as well as in the mofussal sub offices. There have been heavy import, of rice and wheat to maintain supplies to Ration shops in Hosdrug sub taluk and to F.P.shops in Ex-statutorily rationing areas and derationed rural areas. This has naturally, increased the work in the Collector's office and also in the other reception centres of the District. Due to the upward trend in the price of rice in the open market the unscrupulous F.P.shopkeepers have a tendency to resort to malpractices. Hence, the need for the effective and intensive inspection of F.P.shops in adequate Numbers is rendered all the more imperative now. Further, in order to check the artificial inflation of prices due to hoarding, it is necessary to unearth hoarded stocks and to requisition them. There is, therefore absolutely no scope for reduction of the existing staff.

(x) and the overcheck of Ration shops in adequate number

5. There is only 1 typist attached to the C.S.Branch of the Collector's office who is drawing a special pay of Rs.10/- per mensem as sanctioned in G.O.Rt.No.599 F.& A. d/19-6-53. The account showing the average No.of papers typed by the Typist per day shows that, on an average, the typist types 36 single-spaced papers and 4 double spaced papers per working day. It is thus, seen that the volume of work involved is sufficient to keep the typist's hands full and justifies the continuance of the post so long as the C.S. staff continues.

P.T.O.

6. In the above circumstances, I request that the Board may be pleased to move the Government for the retention of the entire C.S.staff till 31-3-54. I shall, however, review the position in January,1954 bearing in mind that only the irreducible minimum staff required for the efficient working of the C.S. branch should be kept on.

7. Particulars of C.S.staff sanctioned till 30-9-53, that retrenched or proposed to be retrenched during the period from 1-7-53 to 30-9-53 and that proposed to be retained beyond 30-9-53 are furnished in the Annexures I,II and III, respectively. Statistics of currents and other details, i.e. scales of pay, Special pay,conveyance allowance, etc. are given in the statement enclosed.
